Skills

HTML,CSS, JavaScript

Tailwand,Git,Github

Vercel ,MySQL

Career objective

Motivated Computer Science student with hands-on experience in web development using HTML, CSS, and JavaScript. Built multiple projects including a Personal Portfolio, To-Do List App, Weather App, Calculator, Tic-Tac-Toe Game, Rock Paper Scissors, Password Generator, and Login Form. Strong problem-solving skills with a passion for front-end development and creating responsive, user-friendly web applications. Seeking an entry-level web developer role to apply technical knowledge and grow in a dynamic team environment.

Work experience

Projects

-

To-Do List Application

- Built using HTML, CSS, JavaScript.
- Users can add, edit, and delete tasks

Calculator

- Created a functional calculator with JavaScript.
- Supports basic arithmetic operations (addition, subtraction, multiplication, division).

Tic-Tac-Toe Game

- Designed an interactive game using HTML, CSS, JavaScript.
- Implemented logic for two players with win/draw detection.

Password Generator

- Developed with JavaScript to generate secure random passwords.
- Options for length and character types (letters, numbers, symbols).

Personal Portfolio Website

- Built using HTML, CSS, JavaScript.
- Showcases skills, projects, and contact details with a responsive design.
